

# HOW TO MAKE SURE YOU RECEIVE THE CCS

## THE CHILD CARE SUBSIDY

1. Complete the child care subsidy assessment through Centerlink.
2. Provide the correct date of births and customer reference number for yourself and child/ren on your enrolment form
3. Confirm your enrolment with Active kids through your mygov account (log in > locate Centrelink section > Access the 'child care subsidy tab' > children's names will appear with pending enrolment from AK > Click Review and then Confirm.)
4. Sign a CWA (Complying Written Arrangement) when you are in the centre and hand to staff

Not sure if you're eligible? If you are a working family (and meet the hours of activity) and meet the citizenship and immunisation requirements you should be eligible. Contact Centrelink if you are unsure.
